

FERCHAU Easy Pay
Easier billing
with FERCHAU Easy Pay

Time is precious – particularly for you as a freelancer. FERCHAU Easy Pay therefore helps you to make even better use of your most important resource. Raising invoices? A thing of the past! From now on, you can save time when invoicing your services using FERCHAU's credit-note procedure.

ferchau.com/go/en/easy-pay

**Connecting People and Technologies
for the Next Level**

Your benefits:

Save time:

There is no longer any need to spend time raising invoices.

Receive your money reliably:

controlled und automated.

Maintain an overview:

FERCHAU relaX provides you with transparency regarding your billing status at all times.

Design your cash flow flexibly – by adjusting your payment terms.

Have an overview of your incoming payments:

FERCHAU Easy Pay will notify you as soon as the credit is available.

Simplify your bookkeeping:

Every credit-note is available for download in the system.

Avoid errors and do not forget anything:

All recorded services are billed automatically – legally and correctly.

Proceed as follows:

- 01** Inform your FERCHAU contact that you would like to use **FERCHAU Easy Pay**.
- 02** Activate the credit-note procedure independently in relaX.
- 03** If necessary, adjust the payment terms you have set.
- 04** Record your project times as usual in FERCHAU relaX. We release them and trigger the credit-note creation.
- 05** Continue working on your projects. Or take a break. As soon as the credit-note is created, you will be notified by us.
- 06** You are happy about the automatic receipt of payment and the time saved.
